✦ EDITOR'S PICK

This Week's Lead Story

✦ FEATURED INTERVIEW

Mr. Yeshwinder Patial, CHRO, JSW MG Motor India

From Community Trust to Shop Floor Change: Inside JSW MG Motor India's Workforce Shift

At JSW MG Motor India's Halol facility, women are not being positioned as symbolic additions to diversity campaigns. They are assembling EV batteries, leading production milestones, returning to technical careers after breaks, and steadily reshaping the culture of an industry that has long operated with invisible barriers.

Vulnerable Children

Climate change conversations often focus on infrastructure, emissions, and economic losses. But one of its most overlooked consequences is the growing impact on children, especially those already living in vulnerable circumstances.
